A refund request will only be considered if it is requested within the first twenty-four (24) hours of the alleged transaction, or within thirty (30) calendar days if a Player alleges that another individual has accessed his/her Player Account.

If you have funded your account with a Credit Card we reserve the right to pay all withdrawal requests up to the total amount deposited as refunds against the purchases you have made. If your withdrawals exceed the total amount deposited, any excess amount will be paid to you via one of our alternative methods available.

Before a refund is processed all bonuses and winnings in your balance will be deducted prior to calculating the amount to be refunded.

In case any Credit Card purchases are considered to carry an unacceptable risk for security or legal reasons either by our Payment processors or by the Casino, we will initiate refunds for all such transactions back to the Credit Card, and notify all the appropriate authorities and parties.

Refund request may be declined by the Casino if the player provides false or intentionally modified personal data in order to bypass the system.

All costs that may occur upon refund procedure are on the player.

15. Dormant Accounts

An inactive (dormant) account is a Player Account which a player has not logged into or logged out of for twelve (12) consecutive months. If your Player Account is deemed to be inactive, the Casino reserves the right to charge a monthly administrative fee of ₺10 or the equivalent in another currency (or the current balance of your account, if less) as long as the balance of your account remains positive.

You authorise the Casino to debit this fee from your Player Account at the beginning of the month following the day on which your account is deemed inactive, and at the beginning of every subsequent month that your account remains inactive. The Casino will stop deducting the fee if the account balance is zero or if the account is re-activated.
